Today is a busy day for Bob.
What will he need to do the job?
His saw!

Zip, zip, zip—Bob trims a tree.
He cuts through branches easily.

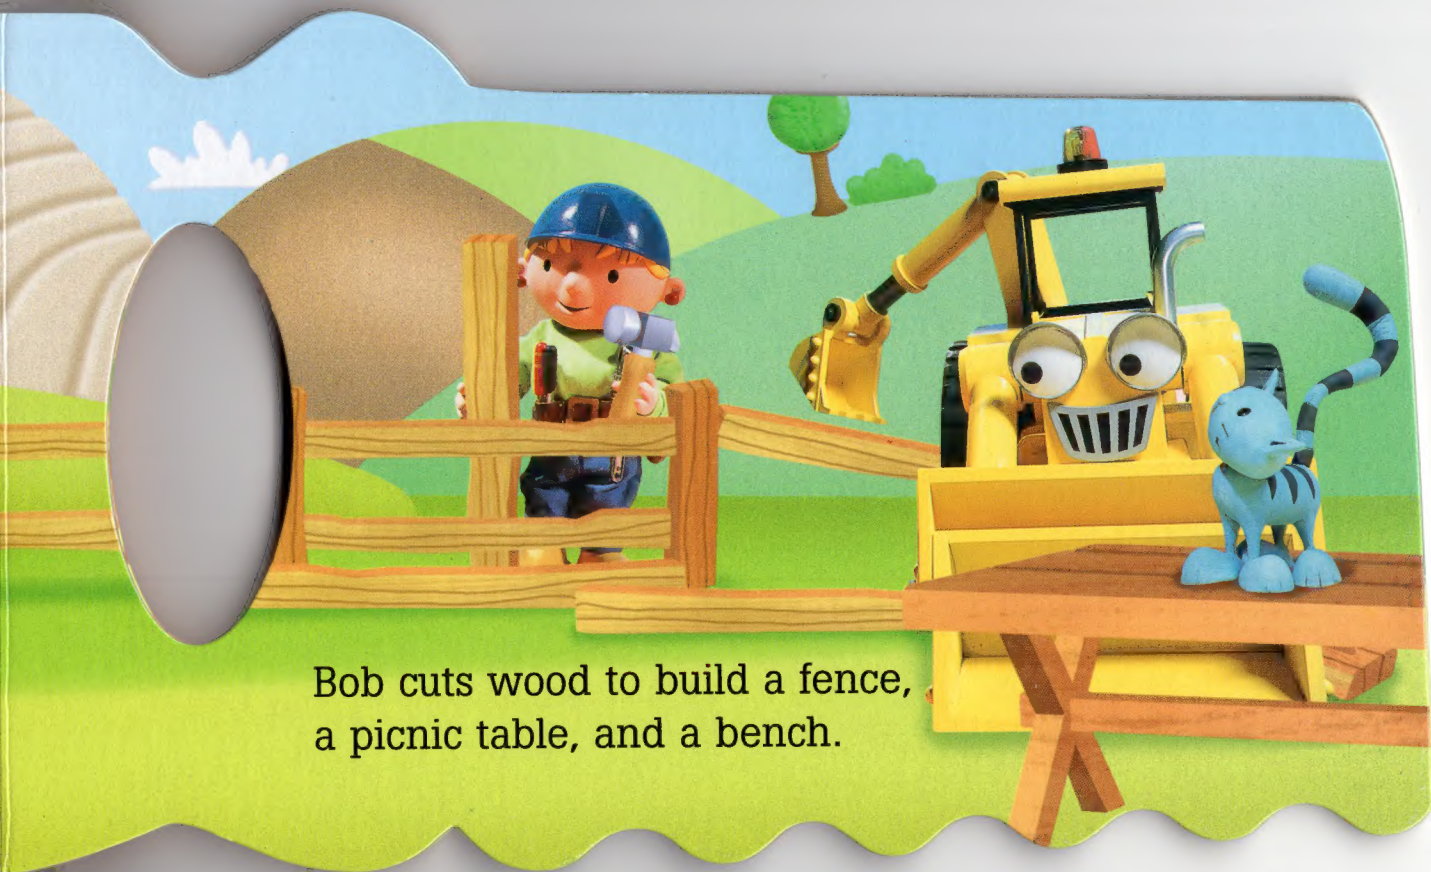

If you need wood, Bob can do it!
Zip, zip, zip—he saws right through it.

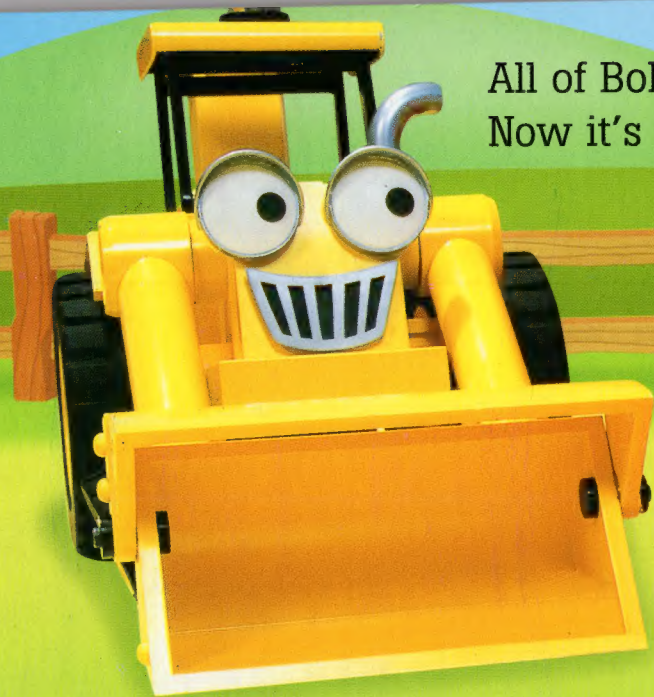

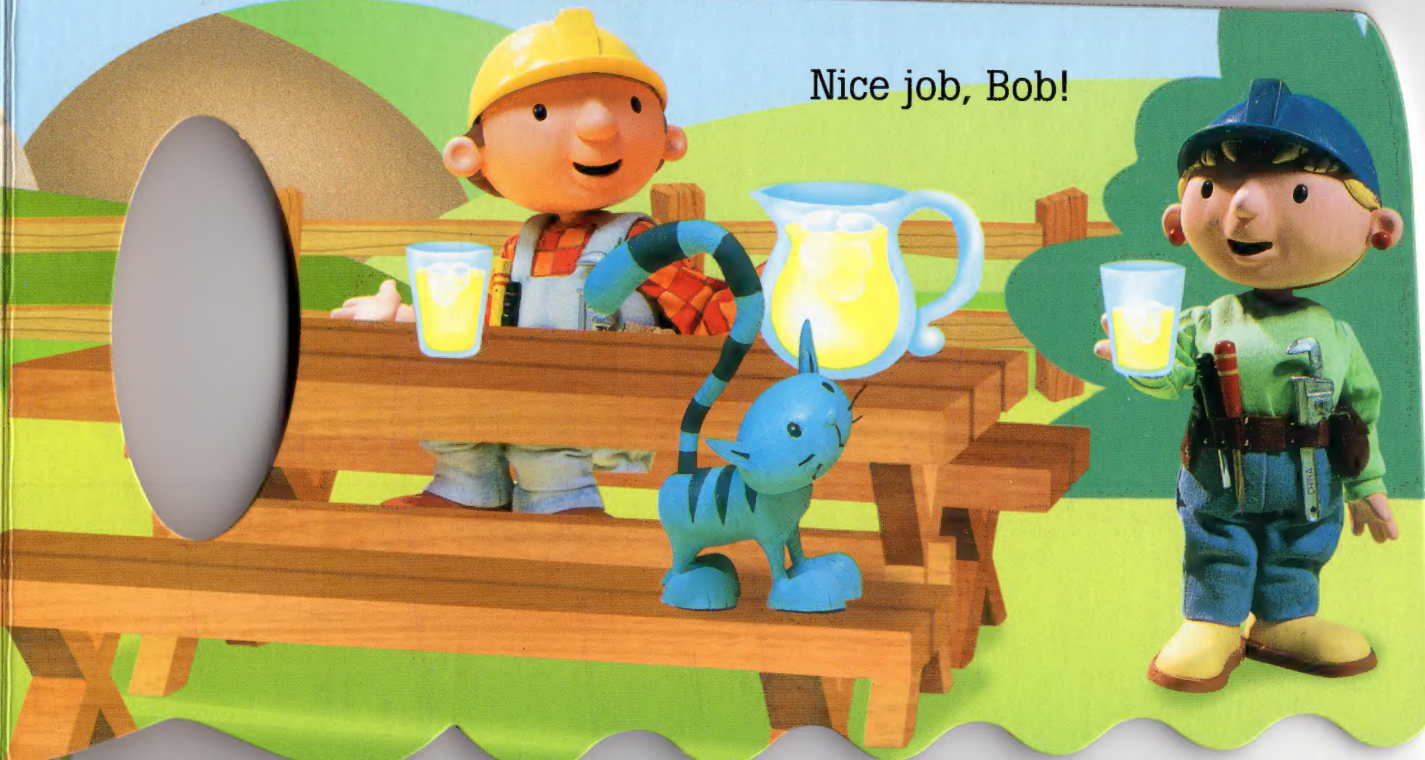

Bob cuts wood to build a fence,
a picnic table, and a bench.

All of Bob's jobs are finally done.
Now it's time to have some fun!

Nice job, Bob!

A tool book for every little builder's toolbox!

by Kiki Thorpe illustrated by Barry Goldberg
